Editor, Duxbury Clipper:

Subject: Demolishment of Duxbury Pier (Bug Light).

I would like to inform the people of Duxbury, particularly boat owners, and anyone else who does not like to see a historical site demolished that around June 30, 1983, this will happen. We are about to lose this famous beacon forever. Do you care enough to write immediately to Commander Richard Mockler, Group Boston, Coast Guard, 427 Commercial St., Boston 02109, to lodge your protest?

If we do need a modern fiberglass pole to give off better signals and to warn boats at the entrance to Plymouth and Duxbury, why not put it to the east of Bug Light? (Towards the open sea.) Why demolish this monument of the past built around 1865.

Urge all residents to write now. It only takes 2 or 3 minutes of your time and a 20c stamp. *Ed*
